I find the reasons given by the above mentioned parties to the marriage to be sufficient. Therefore by the authority granted to me by the Bishop, I grant them dispensation from one Bann.

Hence they can validly and lawfully contract marriage, provided nothing else stands against the valid and licit celebration of their marriage.

A fine of Rs. is imposed for the dispensation, which is to be deposited at the Diocesan Curia as soon as possible. The fund is utilized for the support of the poor.
